REGISTRATION

Registration for the fall semester begins in late spring and continues through summer. Spring and summer registration begins in late fall. You will need to log into CampusConnection and complete the Financial Obligation Agreement each semester before registering for classes.

Go to [NDSCS.edu/RegisterForClasses](https://www.ndscs.edu/RegisterForClasses) for more information about registration.

To help ensure student success, NDSCS uses qualifying exam scores to place students in English and math courses. Qualifying exams may include ACT or SAT college entrance exams or the ACCUPLACER test. You may be required to take the ACCUPLACER test if:

- ACT or SAT was never taken or official scores have not been received by NDSCS;
- ACT or SAT official scores are more than five years old;
- You have never taken any college-level English or math courses.

If you are required to take the ACCUPLACER test, it's important to schedule the exam prior to registering for classes as the result can impact your recommended courses. More information about course placement and ACCUPLACER testing is available at [NDSCS.edu/TestCenter](https://www.ndscs.edu/TestCenter).

Call 701-671-2256 or 800-342-4325, ext. 3-2256 or email NDSCS.StudentSuccess@ndscs.edu to schedule your testing appointment.

FINANCIAL AID OVERVIEW

NDSCS makes paying for college affordable with both federal financial aid and scholarships available. We're here to help you understand your options and to make it a smooth process for all students.

APPLY FOR FEDERAL FINANCIAL AID

- 1** Apply for a **Federal Student Aid ID (FSA ID)** with the U.S. Department of Education for both parent and student at studentaid.gov. The FSA ID allows the student and parent to sign applications and promissory notes electronically.
- 2** Complete the **Free Application for Federal Student Aid (FAFSA)** as soon as possible after October 1 of each year at studentaid.gov. Once completed you will receive an e-mail within five to seven days from the Department of Education.
- 3** If you are selected for verification, the NDSCS Financial Aid office will request a copy of your income tax information and a verification worksheet. Find the verification worksheets at [NDSCS.edu/FinancialAid](https://www.ndscs.edu/FinancialAid) and click on the 'Forms' link.
- 4** Once you receive your financial aid award e-mail notice, accept or decline your financial aid award through CampusConnection.
- 5** If you are accepting a student loan for the first time, you must complete the entrance loan counseling session and a Master Promissory Note. Students can do this at any time at studentaid.gov.
- 6** Determine if you need additional resources in addition to the financial aid offered to you. Estimate your costs at [NDSCS.edu/Paying-for-College](https://www.ndscs.edu/Paying-for-College) and look at Alternative Loans at [NDSCS.edu/Available-Loans](https://www.ndscs.edu/Available-Loans).

SCHOLARSHIPS

Unlike loans, scholarships never have to be paid back. They are a great way to help pay for college. Scholarships are available from a variety of sources; therefore, you need to be resourceful and initiate the process early each year.

If you completed the scholarship portion of the admission application you will automatically be considered for NDSCS scholarships, watch your mailbox for more information.

Learn more at [NDSCS.edu/Scholarships](https://www.ndscs.edu/Scholarships). Here you can also complete the NDSCS scholarship application if you were unable to answer scholarship questions when you completed the admission application.

ENROLLMENT

In order to receive federal, state or NDSCS sponsored aid, a student must be working towards a degree or certificate in an eligible program, with at least half-time active enrollment.

REMINDER

If you are currently enrolled in high school or college you must submit a final transcript when your courses are completed. Final transcript(s) should include graduation and/or course details. Failure to provide a final transcript(s) will prevent financial aid from being disbursed as well as prevent future registration.

NDSCS accepts electronic transcripts from services such as eTranscript, Parchment, Naviance, National Student Clearinghouse, and Docufile. If those services are not available, send official transcripts to:
