

Fall 2024 NDSCS Refund Schedules for High School Dual Credit Classes

Below is refund information for Dual Credit students. High school session dates vary so use the session applicable for your school.

The schedules reflect the percentage of refund for class tuition when students withdraw from all classes. Students who just drop one class (or part of their class load) for the semester will receive a 100% refund if the class is dropped by the 100% refund date indicated. After that date, students who drop part of their class load will receive no refund.

Withdrawing from School --- If a student is totally withdrawing from school (dropping all classes), tuition and fees may be refunded based upon the Withdrawal Refund Schedule and the SBHE refund policy.

Dropping Part of Your Class Load (for example if you are enrolled in two or more classes and decide to drop one of them) – Students who drop a class prior to the completion of 9% of the class session will receive 100% refund of tuition and fees for that class. After 9% of the class session, no refund of tuition and fees will be received. This equates to approximately the first seven-eight (7-8) class days for full-semester classes and approximately the first three-four (3-4) class days for half-semester and summer classes.
