

NDSCS GUIDELINES

HOME EVENT STAFFING AND SUPPLIES

VOLLEYBALL, MENS/WOMENS BASKETBALL

NDSCS

- Provide a Certified Athletic Trainer in attendance for all contact athletic events.
- NDSCS Athletic Training facility will be made available to visiting teams (i.e. taping tables, treatment area, ice/ice bags). The host institution will provide adequate facilities so that the visiting Athletic Trainer/coach may work comfortably.
- Supply water and cups for visiting team bench. Should be set up 1.5 hours prior to the start of competition.
- Develop a medical packet available to visiting Athletic Trainers/coaches that includes: Phone list for host Athletic Trainer, Athletic Training Room, athletic department, Medical Facilities (hospital, orthopedic surgeon, urgent treatment centers, local clinics)

NDSCS Athletic Trainer

- Be in attendance for all contact athletic events.
- Be available 1.5 hours prior to start of event for pre-game athlete care.
- Be available for 30 minutes post-game for any injury evaluation/care.
- Supply injury ice and ice bags on visiting team bench.
- Provide appropriate biohazard equipment for visiting team.
- Provide emergency equipment (i.e. splints, crutches, etc.) as deemed appropriate.

Visiting Institution

- Supply a medical kit with necessary supplies for their team.
- Call ahead to host institution/Athletic Trainer with any special request for athlete care if not traveling with Athletic Trainer.
- Supply a written request for modalities signed by the Athletic Trainer or team physician, with specific treatment parameters. If not traveling with a Certified Athletic Trainer.

NORTH DAKOTA STATE COLLEGE OF SCIENCE

The NDSCS athletic training room is located in the Clair T. Blikre Activities Center, inside the men's and women's locker room. Athletic training room doors are clearly marked inside the locker room.
