This transfer curriculum plan is available to the student whose goal is a career in emergency management or related fields.

Emergency management addresses natural and technological disasters, and homeland security. Career opportunities are available in city, county, state and federal government, as well as voluntary organizations and private businesses.

The Emergency Management transfer plan at NDSCS includes the freshman and sophomore core courses in English, humanities, math, physical sciences, social and behavioral sciences, and wellness. All colleges and universities require these core courses for students seeking a bachelor's degree.

Upon completion of the program, the student is awarded an Associate in Arts degree, which allows transfer to most four-year colleges and universities as a junior.

This plan meets the Liberal Arts Program Purposes listed in the *NDSCS Catalog*.

| Course Code | Course Title | Credits |
|--|---|-----------|
| COMM 110 | Fundamentals of Public Speaking | 3 |
