The General Studies transfer curriculum plan is designed to allow students the flexibility to complete a course of study, which fits with his or her interests and goals in life. The General Studies plan serves students who wish to develop unique courses of study at NDSCS and is available to students who begin their studies at NDSCS as undeclared/undecided, pre-allied health, high school and dual-credit students, and part-time students not pursuing a liberal arts transfer degree.

The General Studies transfer curriculum plan meets the Liberal Arts Program Purposes listed in the *NDSCS Catalog*.

NOTE: This plan is not intended to substitute for a Liberal Arts transfer curriculum plan.

Career planning and advising

For students who are undecided on their career plans, career-counseling services are available to help identify realistic career and education goals.

Faculty and staff will serve as student advisors to aid students in planning their programs, setting up schedules, registration and ultimately deciding on a major.
