THE ACADEMIC PROFESSIONAL

Commencement is a formal ceremony American institutions of higher education conduct to award students the appropriate degree earned at the conclusion of a prescribed period of study. It is a practice dating back to the 11th Century when universities were being formed. The academic dress relates to that era, resembling the dress of a cleric. The gown is usually black, but some institutions have adopted a school color for their gowns. The gowns of bachelor and master's degrees are usually without trimming; those of doctorate degree's are faced down the front with velvet and with three velvet bars on the sleeves. The hood, worn over the back of the gown, is faced with colors which signify the field of study represented by the wearer's degree; the colors of the lining are those of the college or university which granted the degree. The length of the hood is correspondingly longer with each higher degree. The velvet borders down the front of the doctoral gowns, the velvet bars on the sleeves and the borders of most hoods are colored according to the field of study of the wearer.

The most common colors associated with the different disciplines are the following:

Agriculture.....	Maize	Library Science	Lemon
Arts, Humanities and Social Science.....	White	Medicine	Kelly Green
Business.....	Drab	Music.....	Pink
Dentistry	Lilac	Nursing.....	Apricot
Economics	Copper	Pharmacy	Olive Green
Education.....	Light Blue	Philosophy	Dark Blue
Engineering	Orange	Physical Education	Sage Green
Fine Arts including Architecture.....	Brown	Science and Mathematics.....	Gold
Journalism.....	Crimson	Social Science, Social Work	Citron
Law	Purple	Theology.....	Scarlet
		University Studies	White

UNIVERSITY MACE

The historical symbol of the mace was as a symbol of authority used by knights or royal bodyguards to protect the king in processions. Today it has evolved into a ceremonial symbol, carried by the Stage Marshal, a faculty member, before the president and other platform guests in the commencement procession. The NDSCS mace is representative of Old Main, the original building of the NDSCS campus. The mace is traditionally placed to the right of the speaker. The Stage Marshal officially opens and closes the commencement exercises.

MILITARY

The red, white and blue honor cords signify the student, faculty and staff Veterans and Active Duty Service Members among the NDSCS family.
