Bipolar disorder, sometimes called manic-depressive illness, is a disorder that causes shifts in mood, energy, activity levels, and the ability to carry out day-to-day tasks.

NDSCS Counseling Services can help you determine the presence of bipolar disorder. Please contact us with any questions.

To meet with a counselor call: WAHPETON 701-671-2286 or NDSCS-FARGO 701-671-2784

Visit NDSCS.edu/Counseling for more information.
