**This estimate does not reflect the amount of financial aid you will be given.** Students will receive an email from NDSCS Financial Aid referencing their eligibility amount. Students who have completed their FAFSA may need to apply for additional aid (alternative loans or scholarships) to cover their remaining estimated costs.

- For specific costs, students should view their **NDSCS** and **NDSU** accounts at the beginning of each semester online at [www.NDSCS.edu/CampusConnection](http://www.NDSCS.edu/CampusConnection) (each college's charges will be listed separately).
- After the last day to add/drop a full semester class, **NDSU** will forward your student charges to **NDSCS** so your financial aid, if applicable, will be applied to the overall balance.
- Students have the option of purchasing equipment, computers, tools, etc. through **NDSCS** or a vendor of your choice.
- Although **personal expenses are not included in this estimate** (as they are not direct costs to the college) \$3,400 has been allowed for in your Financial Aid budget.
