How to drop a class

www.ndscs.edu/campusconnection

** Dropping your only class and adding another one → then you should ADD first and then DROP. You will not be able to drop to zero credits, so add first.

1. Click on the Manage Classes Tile

2. Click on Drop Classes → then choose the semester

3. Click in the check box next to the course(s) you want to drop → then click

4. Proceed through step 2 by clicking the Drop Classes button on the top right

*Dropping all classes and not adding another— you need to contact the Dual Credit Office for further instructions.
