## Motivating Employees to Be Their Best Part 2

In business around our country, millions of dollars are wasted on motivational strategies that simply don't work. Learn ways to go beyond just "tossing a bone" in the direction of your employees by tapping into their internal drivers. Everybody wins when your people find fulfillment at work!

### ■ INCREASE

- Identify major factors that affect motivation
- Take specific actions to foster trust within a group

### YOUR

- Apply dialog and listening skills that model community, influence, and openness

### ABILITY TO:

- Model the concept of accountability
- Teach a four-step process designed to help groups learn from mistakes
