Your 2025-26 Free Application for Federal Student Aid (FAFSA) has been selected for review in a process called Verification. In this process, NDSCS will compare the information you provided on your FAFSA with the documents requested. If there are discrepancies, corrections will be made to your FAFSA.

### Section A – Household Information

Please circle parent(s) marital status as of the date that the FAFSA was completed:

Single
Unmarried and both
Married
Remarried
Separated
Divorced
Widowed

(never married)
parents living together
(not separated)

List the month and year of your parent(s) marital status (i.e. date of separation, date remarried, etc.): \_\_\_\_\_

Write the names of the people in your parent(s)' household in the chart below.

1. Include yourself.
2. Include your parent(s). If your parents are divorced or separated, list the parent who provides the greater portion of your financial support, even if you do not live with them. If both parents provided an exactly equal amount of financial support during the past 12 months, or if they don't support you financially, list the parent with the greater income and assets. If this parent is remarried, include your stepparent, even if they do not support you.
3. Include your parent(s)' other dependent children (even if they live apart because of college enrollment) and other people currently living with your parent. Include these dependent children and other people only if your parent will provide more than half of their support between July 1, 2025, and June 30, 2026.
