

## First Year Experience

### **FYE 101 Exemption**

FYE 101 is a requirement to graduate from NDSCS. It is strongly recommended to be taken during the first semester to get the most benefit. Students who have prior college experience may qualify for an exemption and should complete the FYE 101 Exemption Form. Please see the FYE Policy for exemption criteria.

**FYE 101 Exemption Form** – log into CampusConnection, go to NDSCS eForms. Under Enrollment Services, select FYE 101 Exemption. Fill out the form and click Submit at the bottom. Results will be sent via campus email.

**FYE 101 Appeal Form** (as is on the website now) – If a student does not meet any of the criteria for exemption but has substantial understanding and experience with the subject-matter covered, an appeal form can be completed. Materials submitted will be evaluated by the FYE 101 Advisory Committee. Students will be notified of results through campus email or phone.
