This two-year program is available to high school graduates or transfer students who are interested in pursuing a career in nursing. The curriculum is five semesters and awards an Associate in Applied Science degree in Practical Nursing. This program requires a commitment to the healthcare field, including employment in hospitals, long-term care facilities, clinics, home health, hospice, schools, and industry.

The first two semesters of the program consist of classroom, laboratory, and clinical instruction at the college and local long-term care facilities. The final three semesters of the program include clinical affiliations in adult, maternal-child, psychiatric, long-term care, home health, and clinic nursing. Interactive Video Network (IVN) classroom course work is utilized in Wahpeton or Fargo. Tutoring is available at the Academic Services Center (ASC) for many general education and some nursing courses.

Criminal background checks will be required. A previous conviction may affect clinical rotations and a state board of nursing could deny an application for licensure as a Practical Nurse. If arrested, charged and/or convicted of any felony, the applicant is required to meet with the department chair. A federal criminal history background check will also be required to test for the NCLEX-PN.

The NDSCS Practical Nursing program is accredited by the Accreditation Commission for Education in Nursing (ACEN). The program has full approval from the North Dakota Board of Nursing. Contact Barb Diederick, department chair, at 701-671-2967 or via email at alliedhealthcareers@ndscs.edu.

**Admission Requirements**
Applicants will be admitted to the program following a selection process which needs to be completed prior to the deadline date(s) of October 15 or April 1. Applicants that apply after the deadline(s) can complete the admission requirements and be placed on a waiting list. If openings become available, they may be selected, based on points, until the first day of class.

1. Complete the NDSCS Application Process for Admission. Refer to the NDSCS website at www.ndscs.edu/admissions for details.
2. Applicants without a United States high school transcript (four years), will be required to complete English language proficiency exam(s) and meet the benchmark score(s) prior to continuing the selection process. Contact the program to schedule the assessments if this applies.
3. Complete the Supplemental Program Application for the Practical Nursing Program.
4. Submit a high school transcript /GED with a 2.0 GPA or higher. If an applicant fails to meet the high school /college GPA of a 2.0, the following requirement applies: they must complete, or be in the process of completing, at least 12 general education credits from the nursing curriculum and achieve a "C" or higher to apply to the program.
5. Submit official ACT and/or placement testing results to Enrollment Services. Results must meet the criteria to enroll in ASC 93 Algebra Prep III the first semester of the program. OR submit an official transcript with ASC 93 completed with a "C" or higher.
6. Complete a program admission assessment examination and meet the program benchmark composite score of 45. Exam can be retaken once.
7. Review Essential Functions for Practical Nursing Students and submit the Essential Functions Verification form.

**Delivery Methods**
- Face-to-Face: Wahpeton
- **Fargo**

**Course Code** | **Course Title** | **Credits**
--- | --- | ---
NURS 101 | Introduction to Nursing | 5
NURS 102 | Introduction to Adult Nursing | 6

**Equal Opportunity Policy**
The NDSCS Department of Nursing adheres to the NDSCS college equal opportunity policy as stated in the NDSCS Catalog.
Dear Practical Nursing Applicant:

Thank you for your interest in our Practical Nursing (AAS) Program at the NDSCS Wahpeton Campus!

The Practical Nursing Program is a selective enrollment program and has specific criteria for selection. Points are awarded for each criterion with applicants being selected according to their total score.

Application deadlines are October 15th (starting spring semester) or April 1st (starting fall semester). The selection committee will notify the applicants of their admission status via email. Summarized below is the criterion for selection to the program.

1. Complete the NDSCS Application for Admission. Refer to the NDSCS website at www.ndscs.edu/admissions for details.
2. Applicants without a United States high school transcript (four years), will be required to complete English language proficiency exam(s) and meet the benchmark score(s) prior to continuing the selection process. Contact the program to schedule the assessments if this applies.
3. Complete the Supplemental Program Application for the Practical Nursing Program.
4. Submit an official high school transcript/GED with a 2.0 GPA or higher. If an applicant fails to meet the high school/college GPA of a 2.0, the following requirement applies: they must complete, or be in the process of completing, at least 12 general education courses from the nursing curriculum and achieve a “C” or higher to apply to the program.
5. Submit official ACT and/or placement testing results to Enrollment Services. Results must meet the criteria to enroll in ASC 93 Algebra Prep III the first semester of the program OR submit an official transcript with ASC 93 or higher completed.
6. Complete the admission assessment examination and meet the benchmark composite score of 45. Exam can be retaken once.
7. Review Essential Functions for Practical Nursing Students and submit the Essential Functions Verification Form located in the Program Information and Selection Process Booklet.

Applicants must ensure that all requirements outlined above are complete and on file with the Practical Nursing program by the selection deadline. After that date, incomplete files will be disqualified from the selection process.

It is highly recommended that applicants contact the Practical Nursing Program to ensure that all requirements have been received. To schedule testing, submit selection criteria and check on file completion, call 1-800-342-4325 ext. 32967 or 671-2967, or email us at sonja.fenske@ndscs.edu

If you have any other questions or concerns, please feel free to contact us.

Sincerely,

Barb Diederick, MS RN
Chair, Department of Nursing
The Practical Nursing Program has specific selection criteria required for acceptance into the program. Acceptance by the College does not constitute acceptance into the Practical Nursing program.

Selection will be based on a ranking system of points assigned to admission criteria. The deadline for submission of all selection criteria is **October 15** or **April 1**. All applicants will receive notification of acceptance, conditional acceptance, alternate status or non-acceptance within two to three weeks of the deadline. Notification will be made by email and it is the applicant’s responsibility to have their current email on file with the program. If the applicant has an alternate status, and an opening occurs, the applicant will be notified by email up to the first day of classes.

Applicants who apply after the deadline date(s) (NDSCS Application is dated after October 15 or April 1), can complete the selection process and be placed on a waiting list. Selection could occur, if all alternates are accepted into the program, and an opening becomes available.

A scheduled visit to the college and the program is encouraged.

It is highly recommended that the applicant checks with the program to ensure that all selection requirements have been received prior to the deadline date. In-complete files will not be considered for acceptance.

---

### Selection Process Checklist

The Practical Nursing (PN) Program is a selective enrollment curriculum and applicants are required to submit, in addition to application to the college, specific program requirements by the selection deadline to be consider for acceptance to the program.

*Program Admission Requirements are subject to revision. Please check with the program for current information.*

---

### Overview

Applicants will be admitted to the program following a point-based selection process. The following criteria must be met by **October 15** (spring selection) or **April 1** (fall selection) to be considered for selection to the program. Alternates will be selected, based on points, if openings become available until the first day of classes.

---

### Steps for Selection

1. Complete the NDSCS Application for Admission. Refer to the NDSCS website [www.ndscs.edu/apply](http://www.ndscs.edu/apply) for details.

<table>
<thead>
<tr>
<th>New Student/Transfer Student</th>
<th>Current Student or Continuing</th>
<th>Returning Student</th>
</tr>
</thead>
<tbody>
<tr>
<td>Application</td>
<td>Change of Program</td>
<td>Re-Application</td>
</tr>
</tbody>
</table>

Forms can be found at [www.ndscs.edu/apply](http://www.ndscs.edu/apply)
2. Applicants without a United States high school transcript (four years), will be required to complete English language proficiency exam(s) and meet the benchmark score(s) prior to the continuing selection process. Contact the program to schedule the assessments if this applies. *Information about this process is in this booklet*

3. Complete the Supplemental Program Application to the Practical Nursing-AAS Program.

<table>
<thead>
<tr>
<th>Supplemental Application</th>
<th>Format</th>
</tr>
</thead>
<tbody>
<tr>
<td>The Supplemental Application is located at <a href="http://www.ndscs.edu/nursing">www.ndscs.edu/nursing</a> and click on Program Selection Process.</td>
<td>Complete after submitting the Application for Admission to NDSCS</td>
</tr>
</tbody>
</table>

4. Submit a high school transcript/GED with a 2.0 GPA or higher. If an applicant fails to meet the high school/college GPA of a 2.0, the following requirement applies: they must complete, or be in the process of completing, at least 12 general education courses from the nursing curriculum and achieve a “C” or higher to apply to the program. Submit official transcripts from all colleges attended.

*Information About Transcripts can be found at [www.ndscs.edu/get-started/actions-to-take/transfer-to-ndscs/](http://www.ndscs.edu/get-started/actions-to-take/transfer-to-ndscs/)

<table>
<thead>
<tr>
<th>High School Transcript</th>
</tr>
</thead>
<tbody>
<tr>
<td>The final *official high school transcript will need to be submitted to Enrollment Services (NDSCS requirement) prior to registering for classes.</td>
</tr>
</tbody>
</table>

<table>
<thead>
<tr>
<th>College Transcript(s)</th>
</tr>
</thead>
<tbody>
<tr>
<td>College transcripts must be *official and submitted to the NDSCS Admissions and Records Office. If the applicant is currently completing courses an in-progress academic record may be submitted for the application process, but an official transcript must be submitted after semester completion. Once all transcripts have been received; the applicant should request a transcript review by Enrollment Services to determine which courses transfer and which courses still need to be completed.</td>
</tr>
</tbody>
</table>

*Official transcripts are complete records of your educational background and must be sent to Enrollment Services directly from the high school and/or college’s you have attended. All transcripts must be signed by a school/college official and stamped with the official school/college seal. Photocopies/faxes of transcripts from the school/college attended are not considered official. The request for a transcript must be from you.*
Complete and submit the Self-Reporting Course Completion/Grade Reporting form to the PN program.

**Self-Reporting Course Completion/Grade Reporting**

Complete the form by indicating which courses have been completed, where they were completed and the final grade. *If they are in-progress, indicate IP. If courses are being transferred in as a different Course Prefix/Course Title; access the link available on the form to ensure that the course is accepted as a transfer course. All courses must be passed with a “C” or higher.

*Submit the Documentation of In-progress Grades form if you have indicated any IP courses.

☐ 5. Submit official ACT and/or placement testing results to Enrollment Services. Results must meet the criteria to enroll in ASC 93 Algebra Prep III the first semester of the program OR submit an official transcript with ASC 93 (or higher) completed.

Higher Math course would include MATH 102 or 103. Final grade must be a “C” or higher.

☐ 6. Complete the admission assessment examination. To schedule the examination please contact the program at 701-671-2984 or email trese.saar@ndscs.edu

**Test of Essential Academic Skills (TEAS)**

The TEAS was developed to measure basic essential skills in the academic content domains of Reading, Mathematics, Science and English and Language usage. These entry level skills are important for success in the Practical Nursing Program. The TEAS is a 150 question, multi-choice assessment and the allotted testing time is 209 minutes. The benchmark score to apply is 45. The cost of the assessment is $65.00, payable by the applicant the day of testing via credit card.

☐ 7. Meet the Essential Functions for Nursing Students (see below):

If applicant cannot meet an essential function, with or without accommodations, please schedule an appointment with the Department of Nursing Chair before completing the application process by calling 701-671-2968 or emailing barbara.diederick@ndscs.edu

The completed Essential Functions Verification form will need to be submitted to the Practical Nursing Program to meet selection requirements.
Essential Functions for Practical Nursing Students

**Emotional Stability**
- Differentiate and establish personal and therapeutic boundaries (e.g. confidentiality/privacy)
- Provide client with appropriate psycho social support
- Deal with unexpected situations
- Maintain attention on task
- Perform multiple responsibilities concurrently
- Handle strong emotions (e.g. grief, anger)
- Have the emotional stability to function effectively under stress and to adapt to an environment that may change rapidly without warning and/or in unpredictable way
- Maintain mature, sensitive and effective relationships with clients, students, faculty, staff, and other professionals under all conditions including highly stressful situations
- Possess the emotional/mental health required for the full utilization of his or her intellectual capabilities and the exercise of good judgment necessary for working in any clinical site
- Know if his or her values, attitudes, beliefs and emotions, and/or experiences affect his or her perceptions and relationships with others
- Be willing and able to examine/change his or her behavior when it interferes with productive individual or team relationships.

**Analytical Thinking**
- Gather data
- Transfer knowledge from one situation to another
- Assess and respond to change in patient’s condition
- Integrate information
- Evaluate outcomes (e.g. effectiveness of nursing care)
- Problem solve
- Prioritize nursing care
- Utilize long term memory
- Utilize short term memory
- Organize tasks to completion
- Think critically
- Takes immediate action to meet client requests or needs

**Critical Thinking Skill**
- Identify cause-effect relationships
- Plan activities for others
- Synthesize knowledge and skills
- Complete tasks in a timely manner
- Model accountability for learning by sharing knowledge and learning from others

**Interpersonal Skills**
- Manage conflict between persons
- Respect differences in clients/families/co-workers
- Establish and maintain rapport with clients/families/co-worker
- Treat others with respect
- Build effective working relationships

**Communication Skills**
- Communicate information (e.g. teach client, family, or groups)
- Explain procedures
- Give oral and written reports
- Interact with others (e.g. effective group participation)
- Use the telephone – communicate summary of data
Advocate for client
Direct activities of others
Convey information orally and in writing (e.g. charting, reports, papers)
Use computer
Employ therapeutic communication techniques
Assess and respond to verbal and non-verbal communication

**Gross Motor Skills**
Move within confined spaces (e.g. around patient bed)
Provide standing support to patient
Manipulate equipment above shoulders (e.g. IVs)
Reach below waist (e.g. plug(ins))
Assist transfer of patient (e.g. bed to chair, bed to bed)
Reach across patient bed
Maintain patient / client safety at all times

**Fine Motor Skills**
Pick up objects (e.g. syringe)
Grasp small objects (e.g. pills)
Write
Use a computer
Pinch/pick or otherwise work with fingers (e.g. syringe, gloving, small equipment)
Turn knobs with hands on door or equipment
Squeeze (e.g. eye dropper, IV tubing)
Put on caps, gown, gloves, and mask
Apply pressure (e.g. to a wound)

**Physical Endurance**
Sustain repetitive movements (e.g. CPR, ambu bagging)
Work entire shift

**Physical Strength**
Push and pull 25 pounds (e.g. position clients, CPR, apply pressure to wound)
Support 25 pounds of weight (e.g. ambulate client)
Lift 25 pounds (e.g. transfer client)
Move light objects up to 10 pounds
Move heavy objects weighing from 10 to 45 pounds
Defend self against combative client; restrain a client
Carry equipment/supplies
Use upper body strength (CPR)
Squeeze (e.g. fire extinguisher)

**Mobility**
Rotate body to attend to patient and equipment simultaneously
Move quickly to respond to emergencies/patient needs
Transfer patient (e.g. chair to commode, clinical sites such as hospital or clients homes)

**Hearing**
Hear normal speaking level sounds (e.g. to communicate with client)
Hear faint voices (e.g. elderly, oxygen deprived)
Hear faint body sounds (e.g. blood pressure, heart and lung sounds)
Hear in situations not able to see lips (when using masks)
Respond to alarms (high/low frequency)
Visual
Visualize objects up to 20 inches away
Visualize objects up to 20 feet away
Visualize objects more than 20 feet away
Use depth perception (e.g. injections, assess height or depth of wound)
Use peripheral vision
Distinguish color (e.g. patient secretions, and color coded records)
Distinguish color intensity (e.g. blue complexion, redness of blood)
Respond to alarms

Tactile
Feel vibrations (e.g. pulses, nerve responses, tremor)
Detect temperature of room, skin
Feel differences in surface characteristics (e.g. skin texture)
Feel differences in sizes, shapes (e.g. palpate vein, perform assessment)

Smell
Detect odors from client
Detect smoke
Detect gases or noxious smells

Reading
Read and understand written documents (i.e. patient charts, professional literature)
Use anatomical design/diagrams correctly
Display arithmetic competence
Read and understand columns of writing (e.g. flow charts)
Read digital displays
Read graphic printouts (e.g. vital signs, numbers, EKG strips, fetal monitor strips)
Convert numbers to/from metric

Motor Functions
Measure time (e.g. duration)
Count rates (e.g. pulse)
Use measuring tools (e.g. thermometer)
Read Measurement marks (e.g. scales)
Add, subtract, multiply, divide
Compute fractions and medication dosages, IV rates, etc.
Use a calculator
Write numbers in records
Maintain client/patient records
Additional Requirements (Upon Acceptance)

Applicants that are selected to the class must have documentation of the following immunizations/certifications by August 30th (**unless specified). Students will receive more detailed information on how to upload these documents into the clearing house utilized by the program prior to classes starting fall semester. All requirements are at the students’ expense.

Frequently Asked Questions

When is the deadline to apply?

April 1 (beginning fall semester) and October 15 (beginning spring semester) for the Wahpeton Campus.

Where do I go to apply?

www.ndscs.edu/get-started/actions-to-take/apply/

How soon will I know if I’ve been admitted?

Acceptance letters are generally emailed within two weeks of the deadline date. Alternates will also be selected, and acceptance may occur any time an opening becomes available up to the first day of class. It is the applicants’ responsibility to ensure that their correct email address is on file with the Practical Nursing Program.

When I receive my notification letter, what do the different status terms mean?

- **Accepted** – File is complete with high overall admission score.
- **Conditional Acceptance** – Missing documentation for admission file. Example would be final college transcript, second step in an immunization or waiting for final grades to be posted.
- **Alternate** – Means that should an accepted applicant decline their position in the program, an alternate will be accepted in their place.
- **Non-Acceptance** – Not accepted in this selection pool; could be for various reasons, including not meeting admission criteria, incomplete file or low overall admission score.

How often do you start a class?

Twice a year, fall and spring semesters at the Wahpeton Campus.

How many are admitted to each class?

30 applicants are selected.

What selection requirements do I need to submit and where do I submit them?

Official high school transcript, official college transcripts (to Enrollment Services), health requirements and midterm grades to the Practical Nursing Program.

What is the selection process exam and how do I schedule a date/time?

The assessment to complete for the current selection process is: *Test of Essential Academic Skills (TEAS)*. You may schedule your exam by calling 701-671-2967 or emailing sonja.fenske@ndscs.edu

The exam is administered at the Wahpeton Campus.
What is the TEAS Assessment?

This assessment can help identify a student’s potential success of program completion of a health career curriculum. The TEAS is a multiple-choice assessment measuring basic academic preparedness in reading, math, science, English and language usage for entry level skills. The cost of the assessment is $65.00 payable the day of testing via credit card.

Is there a benchmark that must be met for the selection process exam to apply?

Yes, the benchmark score to apply to the program is 45. Exam can be retaken once.

Can I study prior to taking the TEAS?

Yes, you can visit the website www.atitesting.com and click on ATI Store for a practice exam. There are also study guidelines available on the Wahpeton and Fargo NDSCS Campuses (but cannot be checked out); please contact the program for more information. There is also a study preparation course available from ATI called TEAS SmartPrep. For more information, visit www.atitesting.info

If I have already taken the TEAS can I use that score for my selection process?

Yes, a previous TEAS score may be used if it is a current enough version and be submitted to the program via an official transcript order through the ATI website. Scores submitted by the applicant will not be accepted. Please contact the program if you will be using a completed TEAS for more information.

Who should I contact to make sure my application/selection file is complete?

Enrollment Services – ndscs.admissions@ndscs.edu, 701-671-2521
Practical Nursing Program – Sonja Fenske – sonja.fenske.ndscs.edu, 701-671-2967

I am not sure if some courses will transfer. Who do I talk to?

Send high school transcript and an official college transcript for all colleges attended to Enrollment Services. You can also contact the NDSCS Enrollment Services office at 701-671-2521 or visit the website at www.ndscs.edu/get-started/actions-to-take/transfer-to-ndscs/ for more information.

If I am not admitted can I re-apply?

Yes, you may re-apply and the selection process will begin again. You will be advised if your exam scores are current or if you will need to re-test. You will also need to contact the program to have your file rolled over to the next selection process. You can do this by contacting Sonja Fenske at 701-671-2967 or emailing sonja.fenske@ndscs.edu

If I have further questions, or want to schedule a visit who do I contact?

We encourage questions! Feel free to call any of the names listed on the fact sheet. We strongly encourage interested individuals to schedule a visit to our campus. You can see our excellent facilities, talk to program staff and meet with a program faculty member. To schedule a visit, go to www.ndscs.edu/tour or call 800-342-4325 extension 3-2521 or 701-671-2521.
Allied Health Applicant English Language Learners (ELL) Placement

English proficiency is required for success as a student in an NDSCS Allied Health Program, and also as an employee in the healthcare field.

Applicants that have not completed 4 years of U.S. high school, must take the English language proficiency exam(s) (listed below) and achieve the benchmark score(s) to apply to this program.

MELAB (includes Grammar, Reading/Comprehension, Vocabulary and Writing)
CaMLA (includes Pronunciation Assessment)

If applicant achieves the benchmark score (in all categories), the selection process to the program can continue. If the benchmark is not achieved (in any category), the applicant cannot continue the selection process. It is then recommended that the applicant complete the ELL Program of Study and retest to meet the benchmark scores. If the scores are met, the applicant can apply for the next available selection process to the program.

To schedule the English language proficiency exam (MELAB and CaMLA) contact:
Carol Bishop, Coordinator
Intensive English Language Program
North Dakota State University, Fargo, ND
701-231-8850
carol.bishop@ndsu.edu

Cost: $7.00

Request test results be sent to: alliedhealthcareers@ndscs.edu

Scheduling and Taking Your Assessment Examination (PN)

The program you are applying to requires an admission assessment examination. The assessment utilized in this selection process is the Test of Essential Academic Skills (TEAS) by Assessment Technologies Institute (ATI). **Proctoring for this assessment is offered to applicants applying to NDSCS ONLY.**

☐ **Schedule Assessment**

Email: trese.saar@ndscs.edu for testing dates/times and to schedule a testing date PRIOR to the selection deadline for the program you are applying to.

Testing Location: North Dakota State College of Science
Allied Health Center (GAHC)– 213A
800 6th Street North    |    Wahpeton, ND 58076

When scheduling your assessment keep in mind, only one retake is allowed per selection process, so it is highly recommended to schedule your assessment date well in advance of the application deadline to allow time to for a retake, if needed.

☐ **Create an Account**

Once you have scheduled your assessment date, you will receive emailed directions for creating an account with ATI. Your account will need to be created PRIOR to your testing date. Bring your login and password with you the day of testing.

If you already have a previous ATI account established, do not create another one.

☐ **Day of Testing**

Arrive 30 minutes prior to start time. Once testing has begun, late arrivals will not be allowed to test and will have to reschedule the assessment.

The examinee should have an ID which is government-issued with a current photograph and examinee’s signature and permanent address. If the name and photograph does not match, the examinee will not be allowed to test.

Each tester will also sign the testing roster with their legal name and email address.

Test is payable via credit card by the applicant the day of testing. The cost of the assessment is $65.00.

Personal belongings will not be allowed at the testing station. Backpack, purses, cell phones, etc. will need to be checked in prior to testing.

Calculators are not allowed. If a calculator is required for a question, one will appear on the testing screen.

Food or drinks are not allowed in the testing room.

A pencil and two pieces of paper will be distributed to each tester prior to the exam. The pencil and both pieces of paper must be turned in at the end of testing for the examinee to receive their score.

If you have already completed a TEAS Assessment and wish to use the score for this selection process, an official transcript must be ordered and sent to the program via ATI. Go to www.atitesting.com to order an official transcript.*If you completed this assessment at NDSCS for a different selection process, an official transcript does not need to be ordered. Contact the program to have the assessment moved into this selection process.

Essential Functions Verification

I have reviewed, understand and have the ability to perform the Essential Functions, with or without accommodations, for the program I am seeking admission to. We encourage you to contact us if you have any questions about or are in need of accommodations by calling the NDSCS Student Accessibility Coordinator at 701-671-2623.

*If you do not have the ability to perform an Essential Function, with or without accommodations, a meeting with the Department Chair of the program you are applying to must be scheduled prior to continuing with the selection process.
