

Greetings –

Please [click here to access a video message](#) from me regarding our College-wide COVID-19 Re-entry plan.

This re-entry plan is aimed to identify how NDSCS can gradually bring employees and students back to campus until full, in-person operations are achieved. With the ever-changing guidance and data regarding COVID-19, this plan will evolve as necessary. The most-up-to-date plan and supporting documents can be found on our newly created NDSCS intranet page. More internal documents, forms, and protocols will continue to be added to this intranet site and external information will also be added to our [ndscs.edu/COVID-19](https://ndscs.edu/COVID-19) website.

It is our goal to balance minimizing risk and the spread of COVID-19, with fulfilling our Mission.

Thank you for your dedication to our students and continued flexibility –

John Richman, Ph.D.  
President | North Dakota State College of Science
