Colleagues –

For North Dakota COVID-19 Vaccine priority groups, Higher Education employees (including all NDSCS employees – regardless of where employees reside) are included in **Phase 1C** within the Cybersecurity and Infrastructure Security Agency (CISA) essential worker list.

We have been notified that *some* pharmacies and public health units have started to vaccinate individuals in the [Phase 1C](#) group.

Currently, Richland County Public Health and Fargo-Cass Public Health are **not** able to indicate when they will be initializing Phase 1C. If either public health unit shift to Phase 1C we will notify the College community.

However, if you are seeking vaccination NDSCS employees are **encouraged to review the Vaccine Locator** through the ND Department of Health:

https://www.health.nd.gov/covidvaccinelocator?fbclid=IwAR0v-orshEHYot0P4QQMOOs8f9nLr2tv_dsPel7HWWi8XRqJ6haRPeIksvY to identify clinics, pharmacies and/or public health units.

If you have questions about vaccination options and the priority groups, please contact Melissa Johnson at 701-671-2620 or me at 701-671-2627 – before reaching out we encourage you to review the [NDDoH Vaccine Locator](#), we are **not** able to make appointments for employees.

Thank you,

Jane
