## SCIENCE OF LEADERSHIP

*The red ribbon and medallion signify the students that successfully completed the Science of Leadership program. Science of Leadership participants serve as an officer or on executive teams in NDSCS recognized clubs and organizations or hold select student leadership positions requiring a year-long commitment. Selection to participate is conducted through a rigorous application and interview process. Students complete a structured leadership curriculum to gain the skills necessary to become life-long leaders and is made possible through a generous gift from the Larson Family Foundation. Second year Science of Leadership students wear a leadership pin.*
