SPONSORED BY

The **North Dakota State College of Science** offers high school students who are interested in any of our program areas the opportunity to participate in a **Job Shadow**.

We will coordinate the visit with companies, firms and/or organizations in or near your local area.

Our goal is to help students:

- ◆ Gain a better understanding of the job elements of their career choice.
- ◆ Determine if the career is compatible with their interests and abilities.
- ◆ Learn what type of education is needed to gain entry to this career.
- ◆ Make contact with a potential future employer in your local area.

To participate in a Job Shadow, contact:
