

## Ongoing COVID-19 Pandemic: Special Circumstances

Students –

Due to the ongoing COVID-19 pandemic, individuals and families have experienced changes and been impacted in various ways. We encourage you to report to the NDSCS Financial Aid Office if you (or your parent if you are a dependent student) have experienced a significant reduction in your work hours or experienced unemployment during 2020 or 2021.

To report these changes, please [click here](#) to access the NDSCS Special Circumstance form. This form will be reviewed and a Financial Aid Office representative will be in contact with you. Additional and/or supporting documentation is required.

Please contact NDSCS Financial Aid Office at [ndscs.fin.aid@ndscs.edu](mailto:ndscs.fin.aid@ndscs.edu) or 701-671-2191 if you have questions or need assistance with this form.
